In re: Open Records Request

Dear Mr. Moore:

On June 6, 2018, the Office of District Attorney of Allegheny County received a request from you for the following:

1. Any and all documents which reflect the Motion of ADA Debbie Barnisin to Amend Count 1 to a Felony 2 in the case of Commonwealth v. Randall Scott Stoddard Docket Number: CP-02-CR-0003215-2004 before the Honorable Kathleen Durkin which was granted on January 20, 2005.
2. Any and all documents which reflect the Motion of ADA Debbie Barnisin and/or any other ADA of the Allegheny County District Attorney's Office which requests that the Criminal Attempt 18 § 901 §§A charge be nolle prossed/Withdrawn in the case of Commonwealth v. Randall Scott Stoddard CP-02-CR-0003215-2004 before the Honorable Kathleen Durkin.

I have retrieved our DA trial file in the case of Commonwealth v. Randall S. Stoddard, No. CC 200403215. The only documents in the file pertaining to your request are a Notice of District Attorney's Withdrawal of Charges and a letter from Mr. Stoddard's counsel. I have included copies of both documents in this response. Also, I have provided you with a list of docket entries for that case so that you can verify that no formal motion or documents were filed in regards to your requested items.

If you wish to appeal my decision, please be advised that pursuant to 65 P.S. §67.1101 of the Right To Know Law you have 15 days to appeal this decision to the Office of Open Records, 333 Market Street, 16th Floor, Harrisburg, PA 17101-2234.

Very Truly Yours,

Michael W. Streily
Deputy District Attorney
