RE: *Appeal of Right to Know Request*

Dear Mr. White:

On May 9, 2019, I received from you an "Appeal of Right to Know Response" regarding your request for a record of "delegation of authority on file with your office and/or which has been authorized into the record where the District Attorney has delegated prosecuting authority to the assistant district attorney which prosecuted the criminal case no. 647-2016 prior to the filing of the information".

Your appeal is denied because my office is not in possession of the document that you have requested.

Sincerely,

FRANCIS J. SCHULTZ, ESQ.  
District Attorney
