RE: Smith v Newberry Township Police Department: OOR Dkt. AP 2013-1537

Dear Mr. Snyder,

The Office of Open Records received a telephone call from Requester Dwayne Smith on October 29, 2013 stating that the Police Department has not complied with the Final Determination issued on September 26, 2013 granting Mr. Smith access to video recordings with audio and to refund the duplication fee paid that exceeds the actual cost of the CD.

Please inform me within two weeks of this letter as to whether or not the Police Department has provided the information ordered to be released.

If you have any questions, please contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Dena Lefkowitz".

Dena Lefkowitz
