RE: *Wayda v. Ashley Borough*; OOR Dkt. AP 2014-0329

Dear Open Records Officer,

The Office of Open Records received an e-mail from Requester Constantine Wayda on April 29, 2014 stating that the Borough has not complied with the Final Determination issued by this Office on March 28, 2014. The Final Determination granted Mr. Wayda's appeal and directed the Borough to provide copies of payroll records for all personnel employed by the Borough.

Please inform me within two weeks of this letter as to whether or not the Borough has provided the information ordered to be released.

If you have any questions, please contact me.

Sincerely,

A handwritten signature in black ink, appearing to read 'Charles Rees Brown', written over a horizontal line.

Acting Chief Counsel
