MOTION FOR CONTINUANCE

I, Terence Keel, Respondent, move for a continuance of the deadline to submit a Memorandum of Law/Brief scheduled for December 23, 2022, for the following reasons:

1. Despite substantial efforts, Respondent has encountered unavoidable delays entering an attorney in this matter.
2. Based on the assurances of his prospective attorneys, Respondent is confident that, should the Court grant a continuance in this matter, he will be able to enter an attorney in the new year.

I certify I have contacted the Petitioner through opposing counsel prior to filing this motion. The Petitioner OPPOSES the relief sought in the motion and OBJECTS to the Respondent's request for a continuance. I certify that I served the opposing counsel, John S. Carnes, Jr., on December 20 by email with a copy of this motion. I further certify that I served OOR Appeals Officer Lyle Hartranft with the same on the same date.
