Good afternoon,

In order to ensure that the OOR meets its 45 day deadline to issue a new Final Determination, I will set a submission deadline of January 31, 2024. I would ask that SEPTA provide any and all evidence concerning whether the fees are necessary and reasonable by that date. Thank you.

I will upload a copy of this email to the OOR E-File portal.

Sincerely,

**Kyle Applegate**

Mr. Backman,

I am only willing to speak with you over the telephone if the OOR hearing officer is on the line during a conference call with us. Under the right to know law, I am not required nor can I be compelled to pay for redactions under any circumstances. If you want to redact the video

and give it to me at your expense, I will settle and close this matter. Otherwise, I will just let this process proceed and however the OOR rules is how it will be. Thank you!

Regards,

**Erik R. Steinheiser**

**Subject:** Steinheiser v. SEPTA - AP 2022-1908

Good evening Mr. Steinheiser,

As you may recall, my office is representing SEPTA in the above-referenced appeal. Based on the Commonwealth Court's recent order and remand, I am reaching out with the goal of scheduling a call to discuss ways to modify your request in order to reduce the cost associated with redacting the video at issue. We would like to schedule a call within the next week, so please provide your availability with that in mind. If we do not hear from you by close of business on Wednesday, January 17, we will assume you do not have an interest in modifying your request.

Thank you,  
Justine
