My appeal was denied for non compliance. Please reconsider my petition docket 2024-0944. I sent the Office of Open Records all of the documents that I received from the agency of the Pleasant Valley School District. As you can see, many of the documents are duplicates and some of the pages are blank, leading me to conclude documents are missing from my original requests for all emails. No emails are included from the Superintendent Dr. James Konrad either.

Please help and reconsider my appeal. Thanks.
