Requester sought financial documents and communications relating to the Borough, the mayor's health insurance, and the borough manager's employment contract. The Borough provided responsive records on appeal and proved that certain portions of the Request are insufficiently specific, certain records do not exist, and certain records do not exist in the requested format. The Borough failed to prove that certain portions of the Request are insufficiently specific and that certain financial records are exempt under Sections 708(b)(3), (b)(4), (b)(6), and (b)(11).
