The Request seeks various records of use of Department equipment and property relation to activities connected to coordination with specified federal agencies, communications and legal analysis related to such activities, and records relating to the sharing of Department data with these federal agencies. Certain portions of the Request are insufficiently specific. The Department proved that it conducted a good faith search and no additional responsive records exist. The Department failed to prove that Requests for Data received and a spreadsheet are exempt as noncriminal investigative records or note and working papers.
