Final Determination Outcome:

Issued: 09/08/2026

The Request sought various records regarding expenditures made by the Borough. The Borough admits that it did not search for all responsive records pertaining to the Request and is currently addressing that in a new search to remedy the oversight. The Borough proved that the records already found are maintained solely in paper format and the Borough is not required to produce them in an electronic format. The OOR declines to make a finding of bad faith. Granted in part, denied in part.
