Request sought various records related to a certain traffic stop, vehicle seizure and towing. Agency proved that no additional responsive records exist within its possession, custody or control. Agency showed that it was permitted to withhold the responsive radio transmissions and CAD Event Log, but for any time response log information contained therein, under Section 708(b)(18) of the RTKL. However, the Agency failed to prove that any time response log information contained in the CAD Event Log is made confidential by Section 5399(a.1) of the Emergency Communication Services Act.
